

# DoctorLine™

24/7 worldwide GP helpline

Telephone access to a UK GP, from anywhere in the world. Discuss any health issue from illnesses to surgery and receive advice or a diagnosis and prescription.

It's the closest thing to a surgery appointment, but without the wait.

- Call when you need, for as long as you need
- Discuss any health issue for confidential advice, information and reassurance
- Unlimited usage
- Choose a webcam consultation if required
- Prescription medication with a range of delivery options
